INTRODUCTION. 2. SPECIFICATIONS. 3. INSTALLATION. 4. MARKING FEATURES. 10. 5. OPERATION BASICS. " I decided to give the Couth MC2000 series another try and it has performed as expected. " The first problem I noticed with the Couth was that my visualisation was poor. I never knew what one was looking at. The next problem was that when I moved my arm, the error light was red and it was impossible to see the error clearly. " I resolved these problems by installing a Blue Wall. This solved my first problem (
